Public Comment Procedures

The BLM welcomes comments from all interested parties. Members of the public will have three opportunities to make statements (audio only) to the Board regarding the Wild Horse and Burro Program on both Wednesday, September 23, from 12:45 p.m. to 2:45 p.m. MT, and on Thursday, September 24, from 10:30 a.m. to 11:30 a.m. MT and from 1:30 p.m. to 2:30 p.m. MT. Individuals that have not registered in advance but would like to offer extemporaneous comments will be permitted if time allows. Information on how to register, login, and participate in the virtual meeting will be announced at least 15 days

in advance of the meeting on the BLM website at <https://www.blm.gov>. Participants using desktops, laptops, smartphones, and other personal digital devices will be able to participate via audio only. Those with phone only access will also be able to participate via a provided phone number and meeting ID. The Advisory Board may limit the length of comments, depending on the number of participants who register in advance. Written comments emailed 3 days prior to the meeting will be provided to the Advisory Board for consideration during the meeting. Please see the **ADDRESSES** section earlier for the BLM email address and include “Advisory Board Comment” in the subject line of your email. The BLM will record the entire meeting, including the allotted comment time. Comments should be specific and explain the reason for the recommendation(s). Comments supported by quantitative information, studies, or those that include citations and analysis of applicable laws and regulations are most beneficial and more useful, and likely to assist the decision-making process for the management and protection of wild horses and burros.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, the BLM cannot guarantee that it will be able to do so.
